Have You Ever Wondered Just Why

So many dozens, aye, hundreds of Bryan women tell their friends that Eugene Edge "on the corner" is

"The Best Place to Shop, After All."

We can conceive of no better reasons, from no better source than those which one of our customers gave recently.

"I always find just what I want at your store."

—Your sales people always take such a personal interest in my wants—no trouble is too great for them."

To this we might add that unflinching, ever-present courtesy—a welcoming smile—are the inseparable assets of every member of this store's force.

For twelve years this store has supplied Bryan women with garments of style and dependability at prices that critical shoppers always say are "the best values in town."

These are a few of the reasons—the others will be apparent when you shop here—why Eugene Edge "on the corner" is, and will continue to be,

"The Best Place to Shop, After All."
